*Chapter N002 Woonsocket, RI, presents a grant to Greater Woonsocket Catholic Regional*

Dear Fraternal Brothers and Sisters,

I am pleased to share an update on the Saint-Jean-Baptiste Educational Foundation 2025 results.

I want to first thank everyone who has donated to the Foundation over the years. Your ongoing support is deeply appreciated not only by the Trustees but especially by all the New England members, seminarians, and Catholic schools that benefit from the SJBEF scholarships and grants. These are made possible in part thanks to your donations and Catholic Financial Life chapter matching funds.

The SJBEF remains a valuable resource for our members, offering the \$1,000 College Scholarships, the \$800 Shrine of Our Lady of La Salette Scholarships, the \$600 Grant Program for Catholic Schools, and ongoing support for New England Dioceses through \$900 Seminarian Scholarships.

As a former recipient of a SJBEF Scholarship many years ago, I understand the value of our foundation helping members of our community. SJBEF has a strong history of assisting members, and SJBEF Trustees are impressed by the reports and letters we receive from those who have benefited recently. I also find it very heartwarming to receive letters and donations

from those who have benefited throughout the history of the SJBEF.

Trustee Lynette Ouellette received the well-deserved NE Fraternal Alliance 2025 Fraternalist of the Year Award. As part of the award, the Alliance will make a donation to a non-profit of Lynette's choice. Thank you, Lynette, for choosing SJBEF as the recipient of this donation.

I want to thank you again for all your ongoing support of the SJBEF. I also want to thank all the SJBEF Trustees and Catholic Financial Life for supporting the Foundation.

Wishing all the very best.

# 2025 AWARD HIGHLIGHTS

Paul Pinsonnault

Once again this year, the Trustees of the Saint-Jean-Baptiste Educational Foundation have voted to continue initiatives at the same level as last year. These awards include the following.

## College Scholarships

The number of scholarships this year declined to 27, which is 5 fewer than in the previous two years. Recipients came from each New England state except Connecticut, with 19 from Massachusetts, 4 from Maine, 2 from Rhode Island, and one each from New Hampshire and Vermont. Six recipients were freshmen, one was a sophomore, ten were juniors, nine were seniors, and one was a graduate student. Resources allowed for awards of \$1,000. The Trustees congratulate the recipients and wish them another successful year.

## Seminarian Scholarships

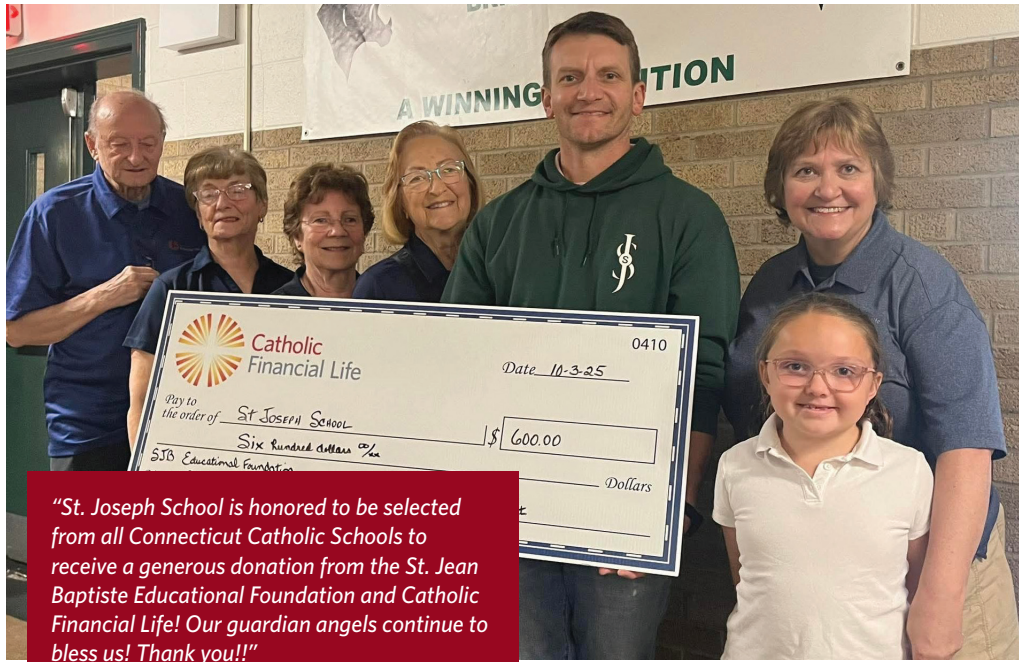

Seminarians came from ten New England Dioceses and received scholarships. Each Diocese was given \$900 to be shared by one or two seminarians. The Providence Diocese has an extra award of \$1,000 in memory of Bishop Louis Gelineau. Additionally, two scholarships were allocated to the LaSalette Order for those pursuing the LaSalette Priesthood and Brotherhood.

## Grants

Once again, resources were sufficient to award grants to a Catholic elementary, middle, or high school as recommended by local chapters. Eighteen grants (one more than last year), each for \$600, were issued, with presentations to be made by chapter leaders.

## French Award

Members generously contributed to support studies in the French language. Since no scholarship applicants majoring or minoring in French applied in the last two years, the award was given to a French major at Providence College. However, this year, we had a member apply for a scholarship whose minor is French. It was decided to award the French prize (\$1,000) to this member in addition to the regular scholarship.

# Foundation Financial Report

Ken Boivin

Although turmoil continues in the financial markets, the Foundation is still on solid ground. Thanks to the continued efforts of Great Lakes Advisors LLC, our investments have grown to \$2,889,903.

The 2025 Fundraising campaign raised \$6,423, thanks to your generosity. Our 2026 Fundraising campaign is about to begin, and we hope you will once again bless the Foundation with your support. Our Foundation is a 501(c)(3), and your donation is tax-deductible.

As you know, our charter is to raise funds for scholarships and grants. We do this through our fundraisers and investment income. So far this year, we

have awarded \$50,500 in College, French, and Seminarian Scholarships and Catholic School Grants. The Seminarian Scholarships are selected by various Dioceses throughout New England, while the French Scholarships are given to students majoring or minoring in French. The names of the Catholic Schools receiving grants are chosen by the New England Chapters.
